Your agreement

This form supersedes any earlier nominations that I may have made about benefits provided by ITV's death benefits arrangements. I consent to the information on this form being held and processed by the trustees.

- I understand that ITV may provide death benefits for me from one or more arrangements.
- I also understand the trustees of ITV's benefit schemes hold personal data which I've provided to them. They need this to be able to administer my benefits under the schemes. The trustees, who are data controllers for data protection purposes, are required to look after my personal data in line with legal requirements. This means the trustee are responsible for deciding what personal information needs to be processed and the way in which the information is processed. In processing my personal data, the trustees may need to pass personal information about me, my dependants and other members and beneficiaries to the schemes' administrators, auditors, legal advisers, insurers and ITV group of companies and such third parties as may be necessary for the purpose of administering the schemes.

Where to find out more: Each scheme has a more detailed statement explaining how the data will be used – please contact ITV Pensions on 01772 884488 or email enquiries@itv-pensions.com if you'd like a copy of the detailed statement(s).
